History

In 1924, Franco Cipriotti opened Maison de Paris, the first cosmetology school in New Jersey. Located in Camden, the school offered students the opportunity to learn the creative art of cosmetology. Continuing Franco Cipriotti's dream, his family has continued in the forefront of health and beauty education.

Franco's daughter, Anna and her husband, Sal Rizzieri, assumed ownership of the school in 1975. The husband-and-wife team, along with their son, Frank—a nationally recognized editorial stylist, relocated the School to Haddonfield, New Jersey.

In 1995, the family once again moved the School. Located in suburban Marlton, New Jersey, the School incorporates beauty, wellness, and education into a state-of-the-art facility. The Rizzieri Family envisioned a building that would house the School, Salon, Day Spa, and Store. In the Marlton location, their vision became reality with the renovation of a 28,000 square foot facility.

In 2009, the family relocated the School to Voorhees, New Jersey. The Rizzieri Aveda School incorporates beauty, wellness, and education into a state-of-the-art facility. The Rizzieri family envisioned a building that would house the School and Aveda Lifestyle Store. In the Voorhees location, their vision became reality with the renovation of a 14,500 square foot top floor facility.

In the event that any provision of this Policy conflicts with any rules or regulations in effect with respect to Title IV federal student financial aid, the rules and regulations of Title IV shall apply.

A leave of absence extends the student’s contract period and maximum time frame by the same number of days of the leave of absence. If a student exceeds maximum time frame for the program in which they are enrolled, they will be terminated from the program without an appeal.

Academic Progress

Theory, practical and clinical work are used to determine academic progress. Your progress at Rizzieri Aveda School will be evaluated on the basis of written tests, clinic practical experiences, quota experiences, a final practical and written examination and projects. Work will be graded according to the following percentage scale:

Cosmetology, Skin Care, Manicuring, Barbering

90-100	A	Excellent
85-89	B	Good
80-84	C	Satisfactory
79-Below	F	Unsatisfactory

Teacher Training

90-100	A	Excellent
89-Below	F	Unsatisfactory

Cosmetology, Skin Care Barbering and Manicuring students must maintain a cumulative C grade average (minimum cumulative grade point average of 80% in academic and practical/clinical work) in order to be considered making satisfactory progress. Teacher Training students must maintain a cumulative A grade average (minimum cumulative grade point average of 90% in academic and practical/clinical work) in order to be considered making satisfactory progress.

Determination of Progress

If a student is making satisfactory progress at evaluation time, the said student is considered making satisfactory progress until the next evaluation period and will be eligible for Title IV funding. Students deemed not making satisfactory progress will be notified that they may have their Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, may be deemed ineligible to receive Title IV funds.

Appeal Procedure

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the students' situation that will allow them to achieve satisfactory academic progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Probation

After being evaluated by the School, students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. The School will then develop an academic plan for the student that, if followed, will ensure that the student is able to meet the School's satisfactory academic progress requirements by the end of the next evaluation period, within the maximum timeframe established for the student. Students who are

progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, will lose Title IV eligibility, and will be terminated from the program in which they are enrolled.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. However, if a withdrawn student is granted permission to re-enroll, they must adhere to the current policies for that class, in which they are scheduled to join upon their re-enrollment.

Transfer Hours

Transfer hours from another Aveda institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. Satisfactory academic progress periods are based on actual contracted hours at the institution.

Notification and Records

Students shall be provided with copies of all satisfactory academic progress evaluation reports at the time of each evaluation. Copies of such reports shall also be placed in the students' academic file, to which the student shall have access as set forth in the School Catalog.

Incompletions, repetitions, and non-credit courses have no effect upon the satisfactory progress policy.

Any qualified individual with a disability requesting accommodations or auxiliary aid or service should follow this procedure:

- 1) Notify Ms. Palladino, the School's Section 504 Compliance Coordinator, of the type of accommodation needed, date needed, documentation of the nature and extent of the disability, and of the need for the accommodation or auxiliary aid. Requests should be submitted in writing unless you cannot provide the request in writing, in which case the School would accept a verbal request. - 4) If you would like to request reconsideration of the decision regarding your request, please contact the School's Director within 15 days of the date of the response. Please provide a statement of why and how you think the response should be modified. DISCRIMINATION GRIEVANCE PROCEDURE

The School has adopted the following Grievance Procedure for addressing complaints of discrimination under Section 504 of the Rehabilitation Act of 1973. A person is not required to use this procedure and may instead file a complaint directly with the U.S. Department of Education's Office for Civil Rights, 32 Old Slip, 26th Floor, New York, NY 10005-2500.

Step 1: A person who believes that he/she has been discriminated against by the School is encouraged, but is not required, to discuss the matter informally with the Section 504 Coordinator, Ms. Nicole Palladino, 8200 Town Center Blvd., Voorhees Township, NJ 08043, phone 856.988.8600, extension 2401, email: npalladino@rizzieri.com. If the 504 Coordinator is the subject of the complaint, the grievant may, instead, contact the School's President, who will appoint another administrator to discuss the matter. The person receiving the complaint shall verbally convey his/her findings to both the person who alleged the violation and the person who is the subject of the complaint within 10 business days.

Step 2: If the informal Step 1 process does not resolve the matter, or if the grievant does not wish to use the informal procedures set forth in Step 1, a written complaint may be submitted to the School's Section 504 Coordinator who will investigate the complaint. [NOTE: if the Section 504 Coordinator is the subject of the complaint, the complaint should be submitted to the School's President who will appoint another administrator to conduct the investigation]. The complaint shall be signed by the grievant and include 1) the grievant's name and contact information; 2) the facts of the incident or action complained about; 3) the date of the incident or action giving rise to the complaint; 4) the type of discrimination alleged to have occurred; and 5) the specific relief sought. Names of witnesses and other evidence as deemed appropriate by the grievant may also be submitted. An investigation of the complaint will be conducted within 10 business days following the submission of the written complaint. The investigation shall include an interview of the parties and witnesses, a review of the relevant evidence, and any other steps necessary to ensure a prompt and thorough investigation of the complaint. A written disposition of the complaint shall be issued within 10 business days of completion of the investigation, unless a specific written extension of time is provided to the parties. Copies of the disposition will be given to both the grievant and the person who is the subject of the complaint. If discrimination or harassment was found to have occurred, the disposition will include the steps that the School will take to prevent recurrence of any discrimination or harassment and to correct its discriminatory effects on the grievant and others, if appropriate.

Step 3: If the grievant wishes to appeal the decision in Step 2 above, he/she may submit a signed, written appeal to the School's President within 10 business days after receipt of the written disposition. The School President or his designee shall respond to the complaint, in writing, within 10 business days of the date of the appeal. Copies of the response shall be provided to both the grievant and the person who is the subject of the complaint.

The School hereby provides assurance that it strictly prohibits any form of retaliation against people who utilize this Grievance Procedure. If you have questions regarding these procedures or desire to file a complaint, please contact the School's Section 504 Coordinator: Ms. Nicole Palladino, 8200 Town Center Blvd., Voorhees Township, NJ 08043, phone 856.988.8600, extension 2275, email: npalladino@rizzieri.com.

Leave of Absence Policy

Requests for a leave of absence are evaluated on a case-by-case basis and will only be approved for extenuating circumstances, including a medical situation, financial reasons, or bereavement of an immediate family member. The student must complete a Leave of Absence Request Form, include the student's reason for the leave of absence, and sign the request, then submit along with all supporting documentation to the Student Records Administrator in advance to the start of the requested leave, unless unforeseen circumstances prevent the student from doing so. In which case, the institution may approve the leave of absence but will document the reason for doing so and will have the student complete the leave of absence request form at a later date. Also in that situation, the leave of absence begin date will be the first date the student was unable to attend. A Leave of Absence must be at least 5 days in duration for all Programs. Students who have requested a Leave of Absence will be notified via email whether the leave has been approved or denied. Any student who begins a Leave of Absence without the written approval of the school may be withdrawn.

The amount of time approved for a leave of absence is based on an individual assessment of each student. Students must complete the Leave of Absence Request Form in its entirety for a request to be considered. Students are able to request one extension to each Leave of Absence, but the total time of the Leave of Absence cannot exceed 180 days in any 12-month period. A student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceeds a total of 180 days in any 12-month period. Only two Leaves of Absence will be approved during a student's enrollment unless extenuating circumstances can be provided and documented. A student is not eligible to be considered as a perfect attendee if they take a Leave of Absence.

A student must return on the approved date. If a student is unable to return on the approved return date, they must contact the school to request a Leave of Absence Extension prior to the approved return date. If the student does not return on the approved return date, and does not contact the school prior to said date, to request a leave of absence extension, the student will be withdrawn from the program. If a student on an approved Leave of Absence notifies the school that he/she will not be returning, the student will follow the procedure as described in the Withdrawal/Course Incomplete section of the catalog. In both instances, the date of withdrawal, for the purpose of calculating a refund, is the students' last day of attendance. If a student does not return from their leave of absence, they have thirty (30) days from the date of notification to the school that they will not be returning, to collect all belongings from the school. After thirty days, the belongings will be discarded.

A student returning from a Leave of Absence or other official interruption of training will return to School in the same satisfactory status as prior to his/her departure. Students must sign new paperwork for their state registration or Student Permit if required by the school prior to their return date. Students must demonstrate that they have fully resolved the circumstances leading to the Leave of Absence prior to electing to return or they will be recommended to request an extension if applicable. Students who are returning from a leave of absence will be evaluated by the education department to place them back into their program at the level at which they demonstrate competent skills. It is the school's discretion to determine which class a student will be placed into and at what point they return to school. Students who have taken a leave of absence are not guaranteed a seat in a specific class and

must understand that the class they need might not be offered upon their return which could jeopardize their enrollment.

Students who have been on a Leave of Absence for more than 3 months may be required to pass a technical evaluation. In some instances, the student will be required to start from the beginning of his/her course of study. If the student fails the technical evaluation, they will be terminated. The decision is made by the school and is final.

Students placed on a Leave of Absence are not considered to be withdrawn and no refund calculation is performed while on an approved Leave of Absence. No additional instructional charges are assessed as a result of a student taking an approved Leave of Absence. Upon the return of a student who has taken a Leave of Absence, the student's contract period will be extended by the same number of days taken in the Leave of Absence. An amended enrollment agreement with the updated contract period will be drawn up and signed by all parties.

In addition to the regular Leave of Absence, students may need to be placed on or take an Administrative Leave of Absence to permit them to repeat a phase. An Administrative Leaves of Absence is the same as a regular Leave of Absence with the exception that a student need not be making Satisfactory Academic Progress and needs not request the minimum number of days. Administrative Leaves of Absence are intended to account for the time a student is not scheduled in class while waiting to retake a phase.

If a student wishes to pause their monthly payments while on a leave of absence, they must email the Financial Aid Office to request this suspension. No payment plans will be stopped automatically without written notice to the school. It is also the student's responsibility to meet with the Financial Aid Office prior to returning from a leave of absence.

Financial Aid

Cosmetology, Skin Care and Barbering Students (Available to Those Who Qualify)

The basic concept of financial aid is the determination of financial need. Financial need is defined as the difference between the total costs and the portion of those costs that can be expected to be met by parental and/or student contributions. To equitably determine a student's financial need, Rizzieri Aveda School utilizes the federal needs analysis set forth by the U.S. Department of Education.

Application Process

Students must complete the Free Application for Federal Student Aid (FAFSA) to be considered for grants, scholarships, and student loans. For further information, please Contact the Financial Aid Office at 856-988-8600, extension 2452. Unless students have an approved funding plan, which may include but is not limited to federal financial aid, completed prior to the first day of class, students will be contractually obligated to make monthly payments on the tuition balance until Financial Aid is completed.

Student Responsibilities

The student must be enrolled and maintain satisfactory academic progress to receive financial aid. The student must sign an affidavit of educational purposes, default certification, and the drug policy statement. The student must notify the Financial Aid Office of any name or address change; changes in his/her financial situation; and any outside scholarships, grants, or other sources of assistance.

About Financial Aid

Criteria for the selection of students and determination of the amount of the award of students who apply for financial aid are established by the U.S. Department of Education. Terms of any loan, including repayment schedules, are established by the U.S. Department of Education or the lender making the loan.

Sources of Financial Aid

Grants

Federal Pell Grant

The Federal Pell Grant is a student financial aid program designed to assist students in the continuation of their education after high school. A student who does not have a bachelor's degree, is a U.S. Citizen or permanent resident, and is enrolled on at least a half-time basis in an eligible institution, may apply for a Federal Pell Grant. Eligibility is determined by the student's/family's financial resources, according to a formula developed and reviewed by the U.S. Department of Education and Congress.

Payment Options

Veteran's Benefits

If you are an honorably discharged veteran of the armed forces or a dependent of a deceased veteran, and/or active duty, spouse, or child you may apply for veteran's educational benefits depending on your eligibility.

- The school permits any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:
 1. The date on which payment from VA is made to the institution.
 2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.
- The School will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.
- If applicable, the school requires additional payment for the amount that is the difference between the amount of a student's financial obligation and the amount of the VA education benefit disbursement

Please contact the Veteran's Administration Office to determine eligibility and or further information.

Payment Plan

The student may make monthly interest free payments to the school. The balance is divided over the length of the program. Tuition payments are made directly to them. Payments are due on the 1st of the month. Payments may be by cash, check, money order, or credit card. Auto – pay can also be set up for any monthly payment plan, directly by the school. If payment is not received by the 1st of the month, a \$10 late fee may be assessed, and after two late payments, the student may be suspended from class until the payment and late fee are received. During the suspension period the student will be accumulating missed hours and shall be put on warning if the student's attendance falls below 80% and/or terminated if the student exceeds the maximum allowable absences for his/her course of study. Refer to your contract for your individual payment plan.

Tuition Waiver for Multiple Programs

Rizzieri Aveda School encourages students to gain insight into the various fields that are available to any student that would like to enroll in a second program. Rizzieri Aveda School offers a 25% discount off the base tuition on the second and any subsequent programs of study.

Cancellation and Settlement Policy

Rizzieri Aveda School applies the following refund policy as explained in the Cancellation and Settlement Policy to all terminations for any reason, by either party, including student decision, course and/or program cancellation, or institution closure.

Cancellation and Settlement Policy:

If the School for any reason rejects a student, after this agreement is executed, and prior to the start of classes, the student will receive a full refund with the exception of the application fee of \$25.

If the student is terminated by the School for any reason, the School will charge a \$150 termination/withdraw fee. The School will retain the cost of equipment and supplies, including books, given to date (determined by hours scheduled to date), in addition to the calculated tuition. Unofficial withdraw is considered a student missing five (5) consecutive days without contacting the School, attendance is monitored on a weekly basis.

If the student, or parent/guardian, if the student is under 18 years of age, should formally cancel this agreement and make a written demand within three (3) business days of the signing of said agreement, regardless of whether the student has actually started classes, all money collected by the School will be refunded with the exception of the application fee. The postmark on the written notification will determine the formal cancellation date, or the date said information is delivered to a school administrator.

If the student, or parent/guardian, if the student is under 18 years of age, cancels this agreement more than three (3) business days after the signing of said agreement, but prior to beginning actual class attendance, all money collected by the School will be refunded, less the \$350 registration fee, and the \$25 application fee. The postmark on the written notification will determine the formal cancellation date, or the date said information is delivered to a school administrator.

If the student, or parent/guardian, if the student is under 18 years of age, should formally cancel the agreement after three (3) business days of signing of said agreement, and after attending classes, or if the student notifies the School of his/her withdraw, he/she agrees to permit the school to retain a \$150 termination/withdrawal fee, all costs of equipment and supplies, including books, given to date (determined by hours scheduled to date), in addition to the following schedule of tuition adjustment. The amount owed of dollars/cost is based on the percentage of the scheduled course hours completed as follows:

Percentage of Time to Total Course	Amount of Tuition Owed to School
0.01%-4.9%	20%
5.00%-9.9%	30%
10.00%-14.9%	40%
15.00%-24.9%	45%
25.00%-49.9%	70%
50.00%-100.0%	100%

Scheduled Hours/Enrollment time is defined as the number of hours scheduled from the actual starting date of classes and the date of the student’s last day of physical attendance in the School. Any monies due the student minus the \$150 termination/withdraw fee shall be refunded within forty five (45) days of formal cancellation by the student, as defined above, or the date the School determines the Student has withdrawn, which shall occur no more than five (5) days from the last day of physical attendance, or in the case of a leave of absence, the date of withdraw shall be the earlier of the documented return date from the leave of absence or the date the student notifies the School that he/she will not be returning. All institutional refund calculations will be performed based on the student’s last day of attendance.

For the student to receive any discounts or scholarships from Rizzieri Aveda School, the student must complete his/her course study. If the student withdraws from, or is dismissed from the School, his/her refund, if any, will be based on the full actual tuition price.

For any students who receive Title IV Financial Assistance, the Federal Return of Title IV Funds formula (“R2T4”) calculation will be completed first and applicable funds shall be returned. Returned funds will be reduced from payments received on behalf of the Student, before applying the Institutional Refund Policy, to determine whether the Student is owed a refund or if a balance is owed to the School. The R2T4 Policy is described in detail in the School Catalog.

Should the School cancel a course and/or program and ceases to offer instruction after students have enrolled and instruction has begun, the school shall at its option: provide a pro rata refund of tuition for all students transferring to another school, based on the hours accepted by the receiving school; or participate in a Teach – Out Agreement. If the School closes permanently and ceases to offer instruction after students have enrolled and instruction has begun, the school shall provide a pro rata refund. If the Course of Study is cancelled subsequent to a Student’s enrollment and before instruction in the program or course has begun, the School shall provide a full refund of all monies paid or completion of the course at a later time. Accounts 90 days past due will be sent to collection with the cost of collection, including reasonable attorneys’ fees, borne by the student. The collection company complies with all of Rizzieri Aveda School’s financial policies. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.

When situations of mitigating circumstances are in evidence, the school may, at its discretion, review documentation provided by the student regarding said circumstance. After review, the School may determine if the refund to the student shall exceed the minimum tuition adjustment schedule.

Return of Federal Financial Aid

A student who receives Title IV Federal Financial Aid and withdraws from Rizzieri Aveda School on or before the 60% point in the term is entitled to keep the portion of Title IV Federal Financial Aid that he/she earned up to the point of withdrawal. Federal Regulations further mandate that a student must earn his or her federal student aid or the funds must be returned to the Federal Financial Aid programs. If a student receiving Federal Financial Aid withdraws after the 60% point of the academic term, she/he is considered to have earned all her/his Title IV Aid for that term. The Financial Aid Office will calculate the amount of aid the student has earned using the prescribed Federal Return of Title IV Funds Procedure and returns of Title IV funds will be made within 45 days of the date the school determines the student has withdrawn. Once the earned amount of a student's financial aid has been applied to her/his institutional charges, the student is responsible for any remaining balance due to the school. Additional details and examples of the refund and repayment policies may be obtained by contacting the School.

Return of Title IV Funds

The return of Title IV funds as prescribed in Section 484B of the Higher Education Act Amendments determines the amount of the Title IV aid a student has earned at the time a student withdraws. The amount of the Title IV aid a student has not earned is then returned to the Title IV programs. It is a proportional calculation based on the date of withdrawal through sixty percent (60%) of the payment period. Rizzieri Aveda School defines its payment periods for the Cosmetology and Barbering programs as Payment Period 1 is from 1-450 scheduled hours, Payment Period 2 is from 451-900 scheduled hours and Payment Period 3 is from 901-1200 scheduled hours. For the Skin Care Program, the payment periods are defined as Payment Period 1 (1-300 scheduled hours) and Payment Period 2 (301-600 scheduled hours).

The formula in brief is as follows:

- The institution will determine the date of withdrawal and then determine the percentage of the payment period scheduled for the student. The institution will then determine the amount of Title IV aid for which the student was eligible by the percentage of the time scheduled if applicable.
- The institution will compare the amount earned to the amount disbursed. If the amount of aid disbursed exceeds the amount earned, this amount of Title IV aid must be returned by the institution.
- The institution allocates the responsibility for returned unearned aid between the school and the student according to the portion of disbursed aid that could have been used to cover institutional charges and the portion that could have been disbursed directly to the student once institutional charges were covered.

EXAMPLE

Financial Aid Award:	Pell Grant	\$5,730	1 st disbursement	\$2,865
	Direct Loan	\$3,500	1 st disbursement	<u>\$1,750</u>
	Total			\$4,615

Student withdraws on 01/01/2015; the student was scheduled to complete 212 hours of the 1200-hour Cosmetology program.

212 hours/450 hours (payment period 1) = 47.1%

The student had completed 47.1% of the payment period (Payment Period 1) and therefore had earned 47.1% of the financial aid that had been disbursed.

$$\$4615 \text{ aid disbursed} \times 47.1\% = \$2174 \text{ earned financial aid}$$

Rizzieri Aveda School must return the unearned aid to the Department of Education.

$$\$4615 \text{ aid received} - \$2174 \text{ earned aid} = \$2441 \text{ unearned aid}$$

Rizzieri Aveda School will return \$1750 to the Direct Loan and \$691 to the Pell Grant program for a total of \$2441.

Any refund due will be refunded on the student's behalf directly to the applicable federal student aid program, in the following order: 1. Unsubsidized Direct Loan; 2. Subsidized Direct Loan; 3. Pell Grant.

Should the School cancel the student's course of study subsequent to the commencement of the course of study or in the event the School is permanently closed and is no longer offering instruction, the Student shall be entitled to a pro-rata refund of tuition. If the course of study is cancelled subsequent to a student's enrollment, and before instruction in the program has begun, the School shall provide a full refund of all monies paid or completion of the course at a later time.

Disclosure of Student Information

To protect the privacy of students and families, federal law sets certain conditions on the disclosure of personally identifiable information from school records. In addition, students, or a parent or guardian if the student is a dependent minor, may review or inspect their records, but must give the administrative offices 24-hour notice. To view their records, students must make a request with the Student Records Administrator. All student records are maintained and locked in the Administrative Offices. Students have the option to request an amendment to their records. If that amendment is denied, a hearing to challenge the content of the education records may be requested on the grounds that the records are inaccurate, misleading, or violate the rights of the student.

Regulations under the Family Educational Rights and Privacy Act (FERPA) also establish rules governing the disclosure of student information to parties other than the student. Information may be disclosed to the U.S. Department of Education, the Office of Inspector General, NACCAS, or state and local education authorities as part of an audit or program review. Information may also be made available in connection with the financial aid requested or received by a student to organizations that are conducting studies concerning the administration of student aid programs on behalf of educational agencies or institutions and to parents of dependent students as defined by the Internal Revenue Service.

Rizzieri Aveda School requires written authorization each time from a student, parent/guardian (if the student is a dependent minor), or alumni to release academic, attendance, enrollment, or financial status to agencies, prospective employers, or any other party seeking information about the student.

Rizzieri Aveda School will maintain all student files for six years.

Absences

Students may occasionally encounter situations that mandate missed hours such as emergencies, illnesses, religious holidays, Vacations, or suspension. Each field of study has a predetermined emergency “pool of hours” that are to be used for class or clinic time missed for which the student will not accrue additional educational charges. There are no special circumstances for which missed hours will be excused. The following is the amount of hours that can be missed in each course of study before the student begins to accrue additional educational charges.

- Cosmetology-150 hours Manicuring-37 hours Barbering – 112 hours**
- Skin Care-75 hours Teacher Training-30 hours**

The student will be charged \$10 per hour for any hours in excess of the above stated hours. Students continue to accrue hours until completion which is 1200 clock hours for Cosmetology, 900 hours for Barbering, 600 clock hours for Skin Care 300 clock hours for Manicuring and 500 clock hours for Teacher Training. If a student is absent from school without notifying the Student Services for five (5) consecutive days, they will automatically be withdrawn from the course.

Make-Up Hour Policy

Make-up hours may be offered to students at the discretion of Rizzieri Aveda School. In order to attend make-up hours, the student must have been in attendance at school for the entire day. No more than 8 hours can be accrued per week, unless otherwise approved by the Institution. Students may not exceed 30 makeup hours throughout the length of the program, in which they are enrolled. Students may not make up hours in advance of attendance or “bank” hours for the purpose of graduating before their perfect attendance end date. Students are not permitted to make-up hours during their allotted lunch. Make-up hours may be cancelled or changed at the discretion of Rizzieri Aveda School at any time, however we will attempt to provide as much advance notice as possible when canceling make-up hours. Each class will be notified of the availability of make-up hours as they are scheduled.

Attending make-up hours will reduce the number of missed hours a student has accrued for the purpose of overtime charges. The number of hours missed will be reduced by the number of makeup hours the student has completed.

Outside Events

Outside events that students attend are for experience purposes only and will not be considered for accruing scheduled or makeup hours. Although hours are not being accrued, students are expected to conduct themselves in a professional manner, as they are still representing Rizzieri Aveda School.

Termination

Students who are terminated from the School will have a notice placed in their student record as to their progress at the last date of attendance. If a student is not in attendance for five (5) consecutive scheduled days, the School will automatically terminate the student from his/her course of study. Unscheduled days or hours that the School is closed due to inclement weather, holidays, or teacher in-services do not count as missed hours. For example: Martin Luther King Day and the Winter Break do not count as missed days.

The Administrative Office will compute a Cancellation/Settlement Calculation for each student that is terminated. The Cancellation/Settlement Calculation is performed in accordance with the School's contract and the Department of Education guidelines. If the student owes money to the School, he/she has 90 days to settle his/her account. The student must repay monies owed to either the School or the loan company. After 90 days, the student's account will be forwarded to collections.

If the School owes money to the student or the loan company, the School will refund the money to the student or loan company within 30 days of his/her formal date of termination as determined by the School. Students who are receiving Federal Financial Aid must complete an exit interview and can contact the Financial Aid Office with questions regarding their financial responsibilities to the school.

A withdrawn/terminated student has thirty (30) days from the date of withdrawn/termination to retrieve any belongings left at the School. Any belongings left at the School after the thirty (30) day period, will be discarded.

Appendix B: Administrative Policies

To help you achieve excellence in Cosmetology, Skin Care, Manicuring, Barbering and Teaching Training, we have established guidelines to ensure fairness, understanding, and positive work habits among our students. To help prepare you for the workplace, Rizzieri Aveda School operates much like a professional salon environment. Late arrivals, absences, and other interruptions in your training have a significant effect on your achievement – just as they would if you were an employee in a salon, day spa, or other professional organization. By law, we must keep track of your training hours for licensure or certification.

- Students are expected to always conduct themselves in a professional and appropriate manner. School property consists of Rizzieri Aveda School, Upper Deck of the designated student parking lot, and Voorhees Town Center (local businesses, restaurants and stores).
- To maintain the proper learning environment, all students are expected to show respect for their teachers and fellow classmates.
- Food, candy, and snacks are allowed in the break room area only. Beverages may be consumed in the classroom during theory only. Beverages are not allowed in the classroom during practical or during clinic.
- Rizzieri Aveda School is a smoke-free facility. Smoking is allowed outside the building in designated areas only. These areas (public and school) should be kept litter free. If you choose to smoke, please be aware of the need to deodorize before returning to class and when working with clients.
- Cell phones must be turned off and put away during clinic and class time. Cell phone use is only permitted during breaks in the following areas: break room, stairwell, student entrance, or outside or in class when permitted by the instructor for educational purposes. Students will be notified only of emergency phone calls, so as not to interrupt the educational process.
- Students must enter the building through the student entrance on the East side of the building and use the side stairwell to get to the School.
- To benefit from the training and technical experience Rizzieri Aveda School offers, students need to be mentally alert and have a sober state of mind. We strongly support the National Drug Prevention Program, which prohibits the use of controlled substances. If a student is found using, or if the School has reasonable suspicion the student is using, controlled substances, the student will be terminated.
- All services or work done by students must be assigned by, performed under the supervision of, and evaluated by an instructor within the educational situation. Students who refuse an assigned service will be dismissed for the remainder of the day.

- In order to perform professional services, students need to be prepared for class at all times. Only authorized products and merchandise are permitted in the school. Students are not permitted to solicit non menu items, products or services on the premises.
- Students are responsible for their own personal property, the School lockers and/or lockable stations. Personal property must be secured in these locked areas. The School is not responsible for missing or stolen items. If clinic locker keys are lost or misplaced, a \$30 replacement fee will be charged.

Professional Appearance and Dress Code

- The Rizzieri Aveda School Uniform Shirt provided in the student's kit is to be clean, neat, and worn during all classroom and clinic-floor hours. It should not be torn, stained or altered in any way. If it does not meet these standards, students must replace it within 24 hours at the student's expense.
- Students are not to wear baseball caps, winter hats, headphones/earbuds, sunglasses or any other type of non-professional head covering. Exceptions would include religious-based headwear. Scarves, headbands and fashion hats may be worn as long as the esthetic standard for uniform is being met, and the student's hair is in line with the professional image expected of Rizzieri Aveda School Students.
- Identification badges are part of our uniform and must be worn as issued during all clocked hours to identify students and staff to clients. Students will be charged a \$5 replacement fee if their ID badge is lost or misplaced. The Administrative Office requires 24 hours to make a new ID badge, and the student will be docked one (1) hour for the day.
- Footwear must be professional in appearance, closed toe and worn at all times, in accordance with individual program guidelines and/or purchased from our uniform distributor. Socks must be worn.
- Rizzieri Aveda School reserves the right to maintain an aesthetic standard for all students, including professional personal hygiene and grooming and—to the extent appropriate—makeup, appropriate facial hair and standard dress code adherence. There may be opportunities for students to dress differently on designated days. Participation on these days may require a donation and is optional.

Students, who in the reasonable determination of Rizzieri Aveda School are not dressed professionally, according to the above guidelines, will be subject to the Professional Development Program resulting in a written warning or a send home for the day.

Junior Students (Cosmetology, Skin Care, Manicuring, Barbering)

Policy and Procedure

Model Policy

Cosmetology/Barbering Models (Junior Phase)

Cosmetology juniors can bring models into class at the teacher's discretion. Models must report to the front desk and sign the hold harmless agreement prior to receiving the service. There is no charge for classroom models.

Cosmetology/Barbering Models (Senior Phase)

Cosmetology seniors can bring models into the clinic at their teacher's discretion with no charge to the model. Photo Shoot models must arrive to the clinic by 10 a.m. Wednesday-Friday or by 9 a.m. on Saturday. Models must complete the model information sheet, be patch tested and set up an appointment with front desk 24 hours prior to the seating. The model must report to the front desk to sign the hold harmless agreement and sit in the waiting area until the student comes and gets them. A student may go and get their model after a teacher has assigned the model to them and given them a folder with a traveler for the model, along with the signed hold harmless agreement. After the model has received the service, the student must bring the folder to the Front desk. Even though there is no charge for the service on a model, this counts toward his/her clinic requirement sheet quota. In order for the student performing the service to receive credit for this service, he/she must return the traveler to the front desk with his/her first and last name on it along with the teacher's signature. If the traveler is not returned to the front desk, the student performing the service will not get credit for doing the service.

Skin Care Models (Junior Phase)

Skin Care Juniors can bring models into class at the instructor's discretion with no charge to the model. Models are to report to the waiting area until they are escorted to the classroom where the Hold Harmless Agreement is accomplished.

Skin Care Models (Senior Phase)

Skin Care Seniors can bring models into class at the instructor's discretion with no charge to the model. Models are to report to the waiting area until they are escorted to the classroom where the Hold Harmless Agreement is accomplished. Services done on a model count toward students' clinic requirement sheet quota.

Manicuring Models (Junior and Senior Phase)

Manicuring juniors and seniors can bring models into class at the instructor's discretion with no charge to the model. The model must report to the front desk to sign the hold harmless agreement and sit in the waiting area until the student comes and gets them. A student may go and get their model after a teacher has assigned the model to them and given them a folder with a traveler for the model, along with the signed hold harmless agreement. After the model has received the service, the student must bring the folder to the Front desk. Even though there is no charge for the service on a model, this counts toward his/her clinic requirement sheet quota. In order for the student performing the service to receive credit for this service, he/she must return the traveler to the front desk with his/her first and last

name on it along with the teacher's signature. If the traveler is not returned to the front desk, the student performing their service will not get credit for doing the service.

Safety Policy

Upon entering School premises, students agree that they and their parcels, including handbags, briefcases, purses, backpacks, or other items or personal belongings are subject to reasonable search by the School employees at any time for any reason. Students may be asked to allow School employees access to personal belongings and if the student refuses, the authorities may be contacted.

Students are provided with lockers for use in securing personal belongings. Any personal belongings that are not secured are not the responsibility of the school. All occurrences of theft, vandalism or other criminal activity should be reported to the Voorhees Township Police after notifying the Director of Education. Rizzieri Aveda School is not responsible for any personal belongings on the premises.

Medical Emergencies and Accidents

Rizzieri Aveda School's goal is to provide and maintain a safe and non-violent academic and working environment. In an effort to consistently reach this goal, we have established the following procedures in the event that a student witnesses or becomes involved in an incident.

All students are encouraged to remain calm and to take an active role in maintaining a safe environment. To avoid accidents and injuries, students are required to take preventative measures by:

- using equipment properly;
- following manufacturer's directions when using chemicals and products;
- immediately wiping spills found on the floor;
- assisting elderly and disabled clients; and
- keeping all aisles and areas around work stations including classrooms free from personal items and/or debris.

Emergency (medical)

Notify a staff member immediately, so they can call 911, in case of a medical emergency such as:

- serious fall;
- apparent heart attack;
- unconsciousness;
- chemical product (spills in the eye or swallowing); or

The staff should:

- notify the administrative personnel of the location and nature of the accident;
- stay with the injured person;
- have someone meet the emergency personnel; and
- keep the area clear of bystanders.

Students must assist in the documentation of the incident.

Non-Emergency (medical)

All accidents must be reported to an instructor/staff member. The instructor will attend to the injured client or student and determine if professional medical attention is required. If there is any doubt, it is recommended that the injured person see a doctor.

Incident Reports

For all accidents, a team leader/manager on duty must be called to the scene to gather the following information and fill out an incident report:

- name, address, phone number of the injured person;
- name of student(s) and instructor working on the client (if applicable);
- date and time of accident;
- description of how the accident occurred; and name, address, phone number of other witnesses to the accident

Locker Policy

A student's locker is the School's property, and there is no reasonable expectation of privacy in a locker. The school is not responsible for lost or stolen items. Lockers may be inspected periodically for the safety of all students and upon reasonable suspicion of violation of School policies. All the foregoing will be done in private to the extent possible, and the student's cooperation is expected.

During Break Week's students are required to empty their lockers and take all belongings home with them prior to the first day of the break. Any belongings left in lockers during break week will be disposed of and students will be charged to replace kit items if required.

The school has a designated area to hang jackets if they do not fit in your locker. The school is not responsible for missing jackets, umbrellas, or any additional belongings.

Parking Policy

Students must park on the upper deck of the designated parking lot, located on the West side of the building. If a student is parking anywhere else besides the upper deck of the designated parking lot on the West Side, the student will be asked to move their car and written up in accordance to the fair treatment policy.

Personal Service Policy

A Personal Service is when a student wishes to have a service performed on themselves in the clinic and will be charged accordingly for product usage. Students cannot receive Personal Service during their lunch break. Students are encouraged to schedule Personal Service on a day that their class is not scheduled. Senior cosmetology students may receive Personal Service Tuesdays and Thursdays after 2:30 p.m. and at the discretion of their instructor. Senior cosmetology students must get permission from the instructor supervising their row if they wish to give/receive Personal Service. Students may be required to discontinue Personal Services if there are walk-in clients and there are no other students available to take the clients.

Upon approval from the clinic instructor, any student wishing to receive a Personal Service must check in at the front desk. If there is a line, students must wait in line with the other clients. Prior to receiving a Personal Service, students must pay at the front desk for their services and will then receive a stamped dispense form. The student then needs to take the signed dispense form and blueprint to the instructor for a consultation. Once the instructor approves the consultation, they will sign the form, and the student can then take the forms to dispense. Students will be in violation of the Personal Service Policy if they do not pay for their services and/or check out at the front desk by 4 p.m. (day clinic) or 10 p.m. (evening clinic).

When a student performs a Personal Service, this counts toward his/her clinic requirement sheet quota. In order for the student performing the service to receive credit for this service, they must meet with an instructor for the consultation. Students are not to complete any personal service on themselves. If any student is found to be doing any personal service on themselves, they will be sent home for the remainder of the day.

Dispense Policy

In the cosmetology clinic, one to two students per day will be assigned to work in the dispensary and give out products. The students that are working in dispense are not allowed any personal service time. While the students are working in dispense, the door to dispense is to remain closed and locked at all times. Students working in dispense are not permitted to bring any kind of bag or jacket into dispense. No other students are allowed into the dispensary. When all other duties are complete, students are permitted to do requirements on their mannequin or other assigned work while in dispense.

The dispense person cannot give out any products from the dispensary without a Dispense Product Release Slip that has been signed by the teacher supervising the row.

Student Request Policy

A request is when a student's family member comes to the clinic and requests that specific student to do the service. Requests do not get priority over the other clients. The client cannot wait for the requested student to become available. Clients who request specific students are charged the regular price just like other clients. If the student is available, we will try to accommodate the clients' request, however the clinic operates on a first come, first serve basis.

Phase Repetitions

Students are evaluated in each phase with practical exams designed to determine the students' competencies with skills completed in each phase. Students who fail a phase are permitted to retake the phase, at no cost to the student, one time only. Students may elect to retake a phase, or the school may suggest a student retake a phase if either their academics or attendance didn't permit them to achieve the learning objectives of that phase sufficiently. Students may need to request or be put on an Administrative Leave of Absence to account for the time in which they are waiting to retake a phase. An Administrative Leave of Absence is the same as a regular Leave of Absence, with the exception that the student need not be in good Academic Standing and need not request the minimum number of days required by a regular Leave of Absence.

Re-Entry Process

Students may be considered for re-enrollment once, following a withdrawal. Students applying to re-enter into the Rizzieri Aveda School must wait until six months from the last date of attendance to apply. Any student wishing to re-enroll must reapply through admissions and be accepted into the program. The student must have arrangements to pay their balance to the school as determined by the Cancellation/Settlement Calculation. The Cancellation/Settlement Calculation is performed in accordance with the School's Contract and Department of Education guidelines. At the time of re-

enrollment, the student must sign a new contract and pay for the remaining hours needed to complete his/her course of study. The student is charged for the remaining hours at the current hourly rate for his/her course of study. If the student is receiving Federal Financial Aid, the student will need to reapply for additional financing (if he/she qualifies) to cover his/her remaining time left.

Once a student is re-enrolled, he/she will be placed into a class that is at the student's current level of education, which is based upon the number of hours completed, academic standing and if requested, re-evaluation of their theoretical knowledge and practical skills. Students who are re-enrolled must re-enter on the first scheduled class day of the week and will need to re-register with the New Jersey State Board of Cosmetology. In some instances, the student will be required to start from the beginning of his/her course of study. This decision is made by the education department and is final.

**Please note: To be eligible for the following process, the student must have completed the required six-month period from the last date of attendance but must be no more than eighteen months out from their last date of attendance. If the student is beyond eighteen months from their last date of attendance, they will need to re-start the program from the beginning.*

PROCEDURE

The student will reach out to the Student Services Representative to notify the School of their intent to return. Student Services will communicate with the Admissions Department and Education Department to initiate the process. The following is used to determine where and when a student should be placed, if re-accepted into the program:

0 – 100 hours

If a student from any program was withdrawn from a course within the first 100 hours, that student would re-start the program from hour zero and would be placed with the next available next class. A spot will be reserved in the next available class for the student.

Over 100 hours to midpoint (300/600) of the program

We would place a student back into the phase where the student left off, by utilizing the student's total hours attended as of their last day of previous enrollment. Academically, this would allow the student to review some of the material prior to continuing with the new curriculum.

Clinic Phase

This would differ between programs due to the difference in curriculum for each program. See below for guidelines:

Cosmetology Students

For cosmetology students there are typically three classes at any given time on the clinic, that have three different allotments of hours and a rolling curriculum. This gives the student multiple opportunities to join a class on the clinic.

The Education Department would print a progress report and see where the student left off with hours as well as academics. The student would be placed with a class that is on the senior clinic and within a similar hour timeframe. They will then continue with the class's curriculum. The student would have a separate requirement sheet that must be completed, prior to beginning to take guests. This will allow the instructors to assess the student's skills before placing them in rotation for guests.

Skin Care Students

The Education Department would print a progress report and see where the student left off with both hours accrued and academics. The student would be placed with a class that pairs up in both of those areas. If there is no senior class that meets those requirements at that time, or if the senior class has maxed the number of students permitted in the class as per the NJ State Board of Cosmetology, the student would have to wait for the next available class to meet the criteria.

Grievance Policy

A student may lodge a complaint by communicating orally or in writing to any instructor, administrator or admissions personnel, who shall attempt to resolve complaints related to the person's duties. If a student orally delivers the complaint and the complaint is not resolved either within a reasonable period or before the student again complains about the same matter, the School shall advise the student that a complaint must be submitted in writing and shall provide the student with a written summary of the School's complaint procedure.

Written complaints may be submitted by completing a challenge/solution form. The form is available from the Student Records Office. A copy of the form is also included in the School Catalog. A completed challenge/solution form will be routed to the Director for investigation. The Director will review the complaint with the appropriate instructors and/or other administrative staff and will issue a written response within 10 days. This response will include a summary of the School's investigation and disposition of it. If the complaint or relief requested by the student is rejected, the reasons for the rejection must be listed.

The student's participation in the complaint procedure and the disposition of a student's complaint shall not limit or waive any of the student's rights or remedies. Any document signed by the student that purports to limit or waive the student's rights and remedies is void.

Students may also pursue any unresolved complaints with the National Accrediting Commission of Career Arts & Sciences. Students are required to try to resolve problems through the School's complaint procedure prior to filing a complaint with NACCAS.

Schedule Change Policy

A student may request a schedule change by completing a Schedule Change Request Form located in the Student Services Office. One schedule change may be permitted per enrollment. Students should be maintaining an 80% in both GPA and Attendance to have their schedule change request considered for approval. All decisions made by administration are final.

Appendix C: Other Costs

Late Payment Fee/Returned Check Fee

A \$10 charge will be assessed on all payments that are more than 14 days past due and the student may not return to class until the payment is received. A \$20 fee will be assessed on all returned checks and the student may not return to class until a new payment has been made.

Broken Locker Fee

If a locker is damaged and cannot be locked, a \$40 fee will be charged. If locker keys are lost or misplaced, a \$30 replacement fee will be charged.

Physical Fees

Prior to the student becoming a senior and entering the clinical phase, the student must get a physical examination and apply for a student permit, which costs approximately \$5. The cost of a physical usually varies from \$50-\$150 depending on the physician.

State Licensing Fees

The written portion of the exam is \$39 payable to PSI. The practical exam must be paid to the State of New Jersey Board of Cosmetology. This includes state licensing fees and another physical examination. The cost of the exam is \$50, a one-year license is \$30, a two-year license is \$60, and a temporary permit is \$20. These fees are subject to change at the discretion of the State Board of Cosmetology.

Additional Copies of Transcripts

A request for an additional copy of a transcript must be made in writing. Each additional copy will cost \$25.

Additional Educational Charges

The student will be charged \$10 per hour for additional educational charges. See the section on Absences for a complete description of additional educational charges.

Student ID Replacement

If a student misplaces or loses his/her ID badge, a \$5 replacement fee will be charged. The School requests 24 hours' notice for new ID replacement. Any student who requests a duplicate ID in the morning of a scheduled class day may get the ID only if the School Administrator is available, and the student must sign in one hour late for that day.

EntraPass Security Key

If a security key is damaged or lost, a \$30 fee will be charged. The fee must be paid in order to receive a new security key. Please see the administration for a new security key. The student entrance is only accessible from the hours of 8:15 am to 9:45 pm, Monday through Saturday.

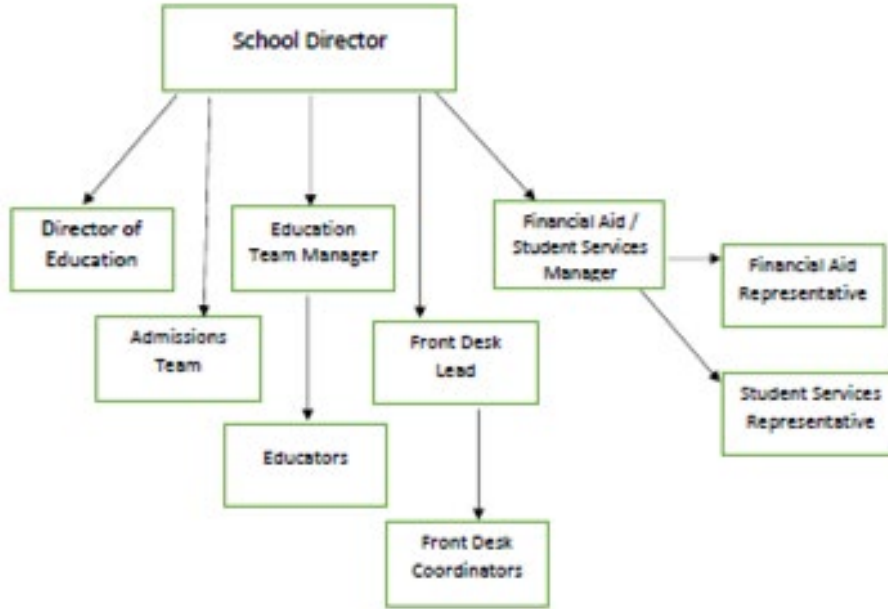

30 Clock-Hour Methods Course (Teacher Training Only)

This course is required by the State Board of Cosmetology for licensure as a teacher. The cost of the program usually ranges from \$350-\$450. This course is offered in many different locations in New Jersey throughout the year.

Policy Violations

Students are expected to comply with all School rules while they are on School premises which include the Voorhees Town Center business and restaurants, and in the parking lot, as well as when they are in Rizzieri Aveda School uniform.

Minor Standard Violations

Minor Standard Violations include, but are not limited to, assigned area violations, minor property misuses, client service violations, cell phone violations, dress code violations, parking violations, unprofessional behavior, insubordination, and any disruptive behaviors determined by instructors and team leaders as interrupting or preventing the regular operation of the school or interrupting or preventing the education of other students.

The violation of a minor standard will result in a warning, dismissal for the remainder of the day, or possibly a longer suspension. Repeated violations will result in a longer suspension from the School or termination. Professional Development Policy delineates specific violations and their consequences.

If the student is to be sent home as a result of a minor standard violation, and the violation occurs toward the end of the school day, the student will be sent home for the remainder of the day and may also be suspended for the following day.

While a student is suspended, he/she will accrue missed hours that are subject to overtime charges and the student remains responsible for all tuition charges.

Major Standard Violations
